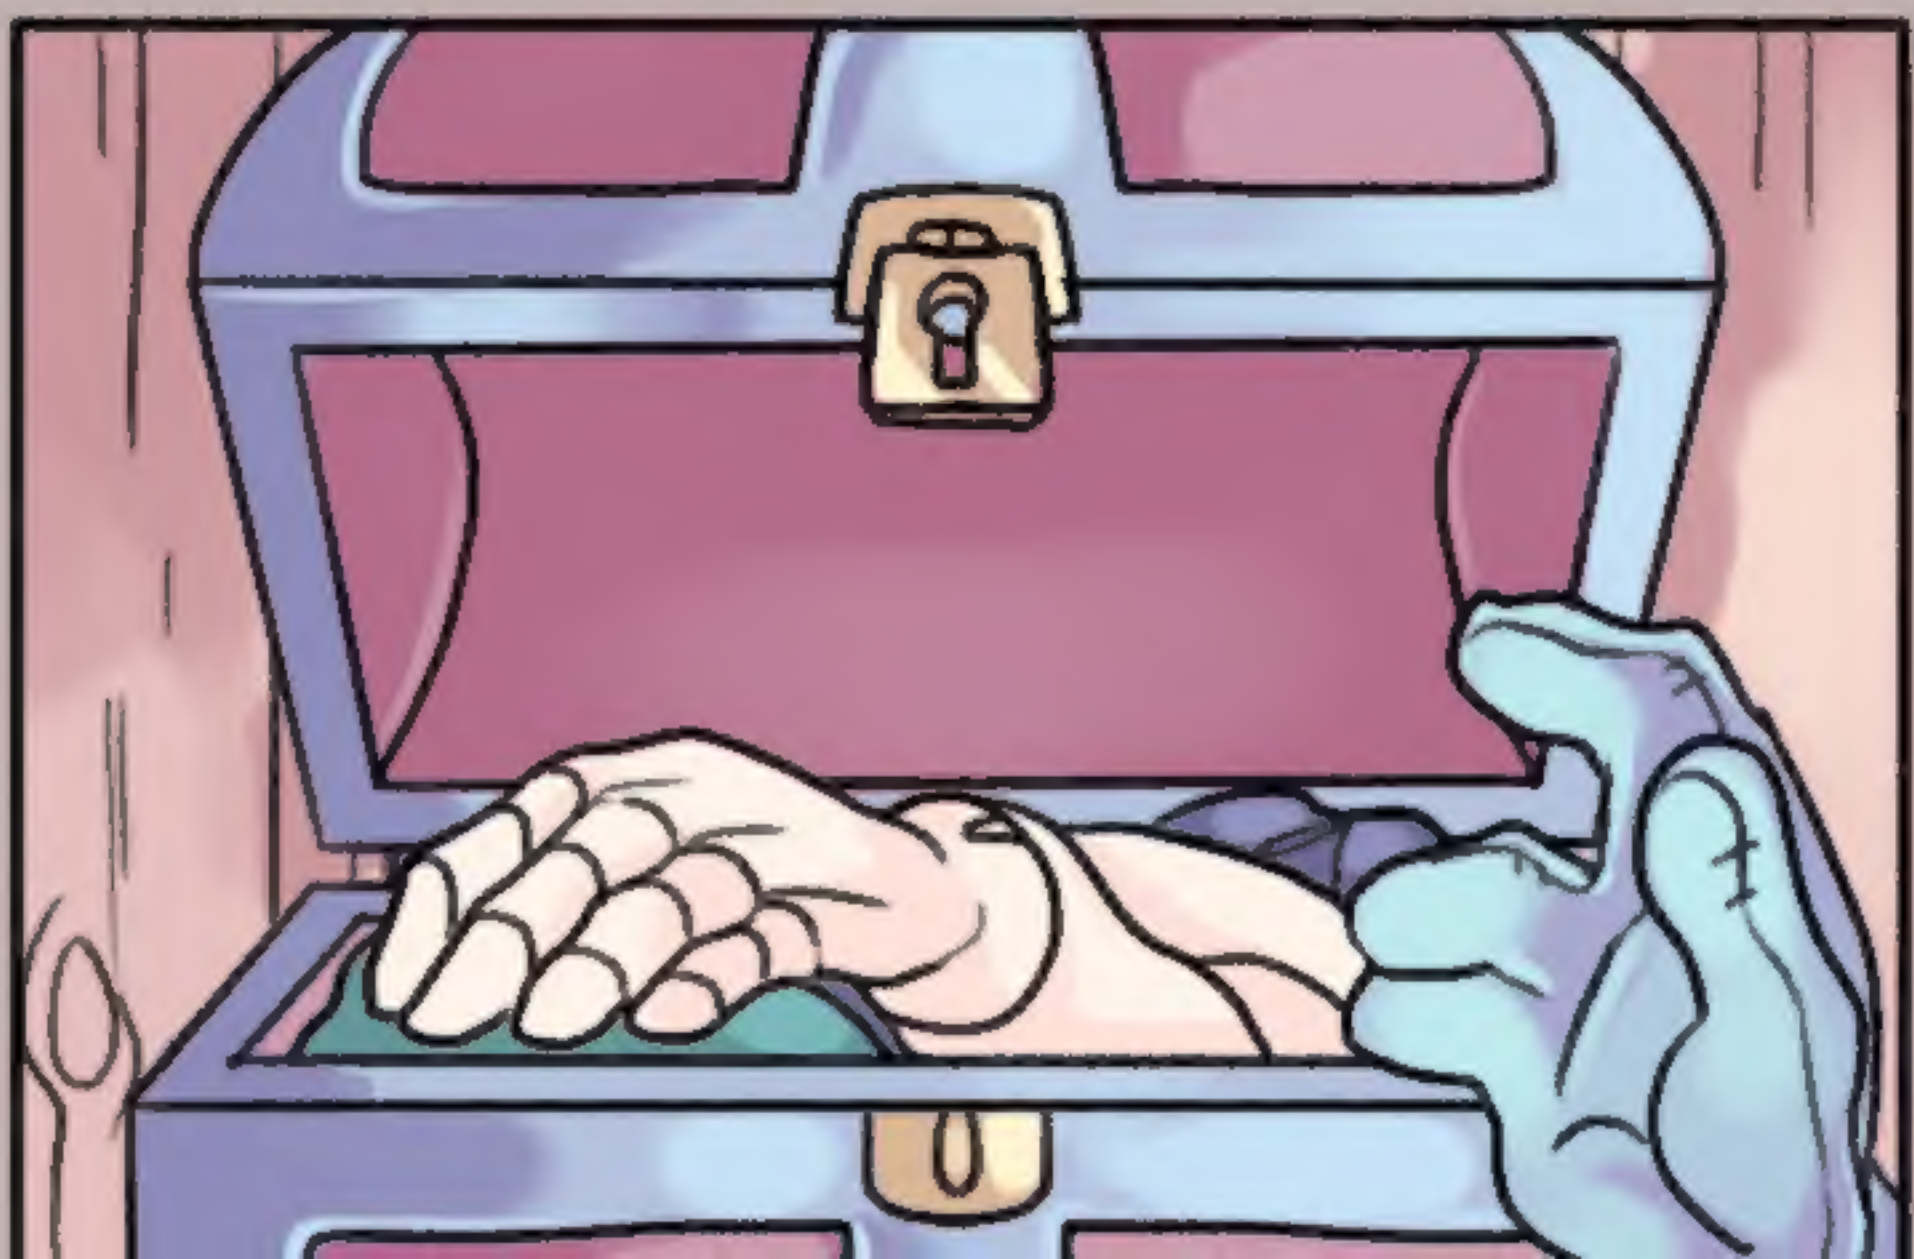
# TOYMAKER

BY ELION_TIME001



IT'S NORMAL...

IT SEEMS IT HAS CALMED

IT SEEMS IT HAS CALMED DOWN...

NOW IT FEELS LIFELESS.

SHOULD I EVEN ASK ABOUT IT?

HE WON'T ANSWEAR ME ANYWAYS...

HEY.

CAN YOU ATTACH THIS HAND TO ME IN PLACE OF THIS?

WHY?

BECAUSE IT'S MINE.

I GUESS IT HAS SIMILAR AESTHETIC TO YOUR HEAD...

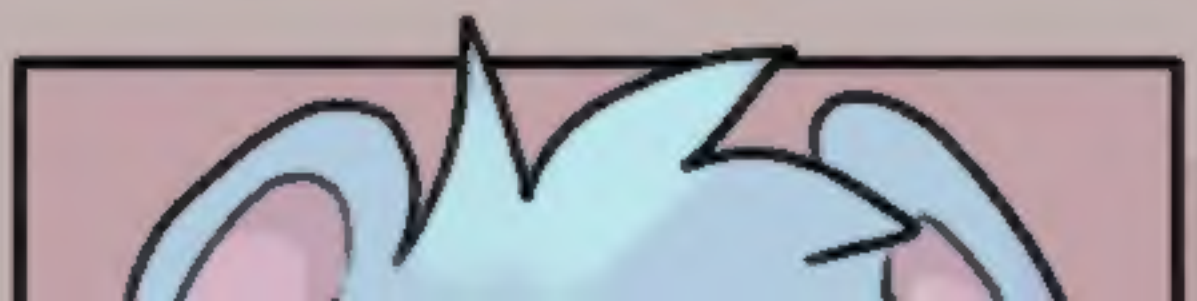
IS THAT WHY YOU TOOK IT?

NO. IT IS MINE. IT'S A

PART OF MY BODY. I CAN TELL.

WHAT IS HE TALKING ABOUT?

HE CAN TELL? THERE IS NO CONNECTION BETWEEN A TOY AND IT'S PREVIOUS BODY PARTS....



SHOULD I EVEN BE SURPRISED AT THIS POINT?

IF YOU ATTACH

IF YOU ATTACH IT TO ME...

YOU GET YOUR WEIRD HAND BACK IN (ALMOST) PERFECT CONDITION.

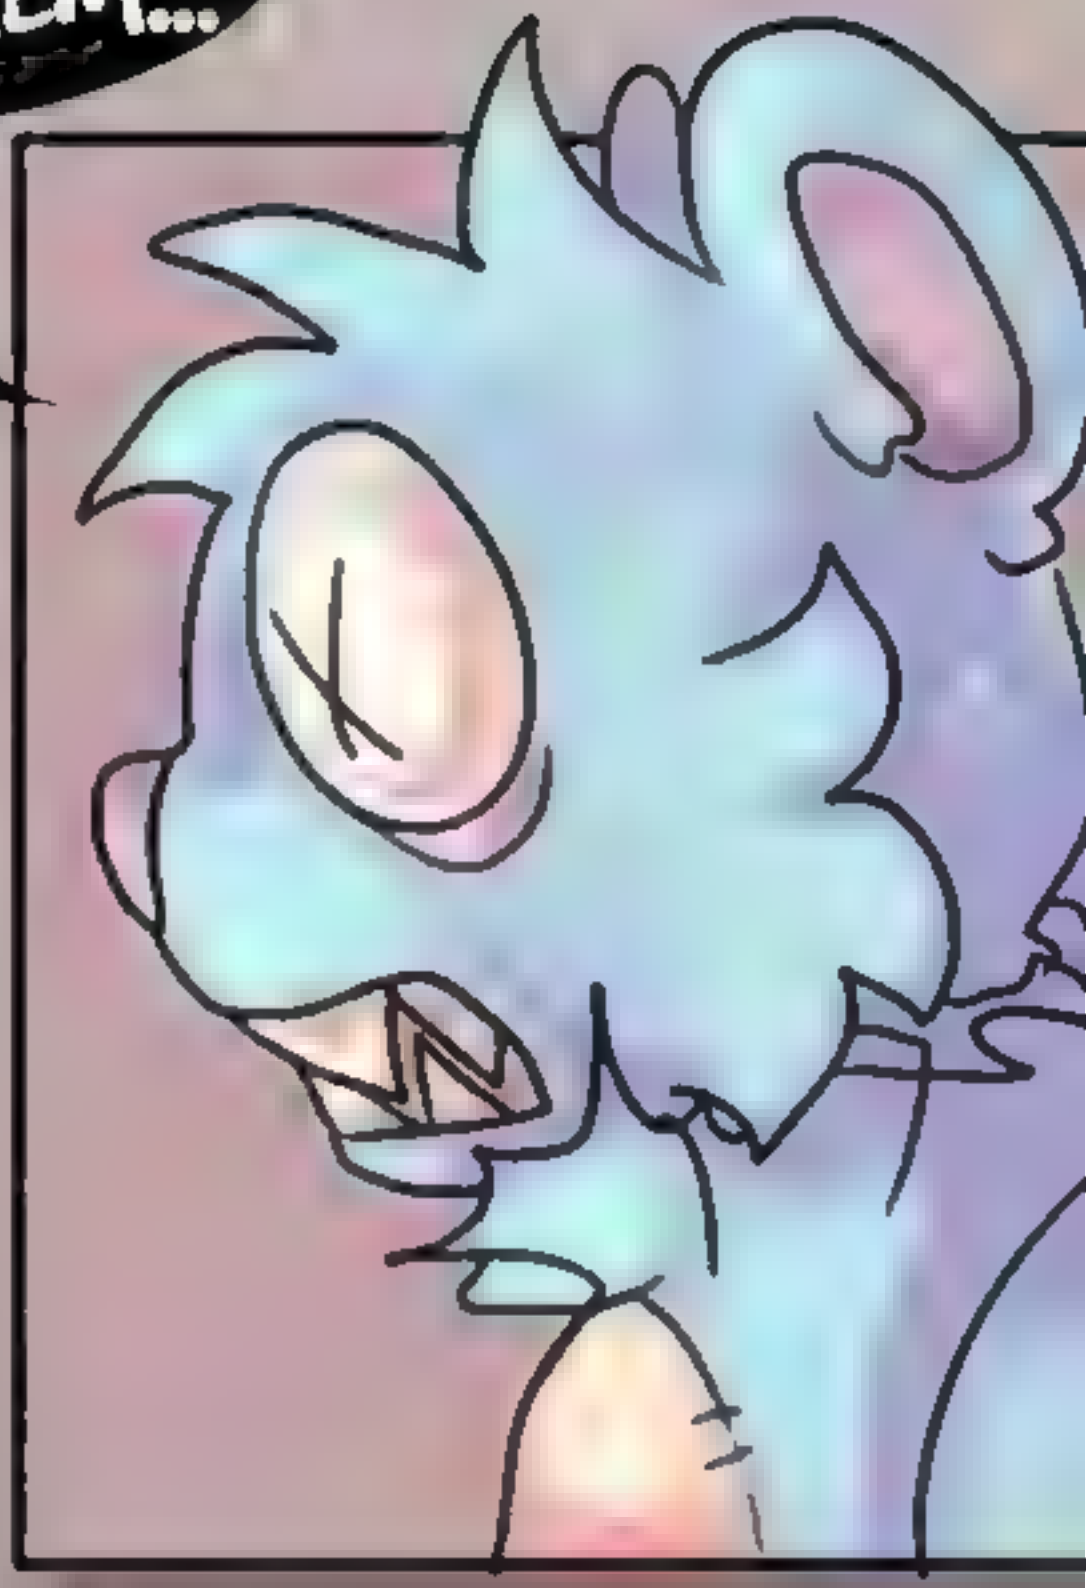
AND IF I COLLECT MORE, YOU'LL GETALL OF THE PARTS, THAT YOU HAD ATTACHED TO ME, BACK.

IT WILL BE AS IF YOU NEVERLOST ANYTHING IN THEFIRST PLACE.

FAIR DEAL, RIGHT?

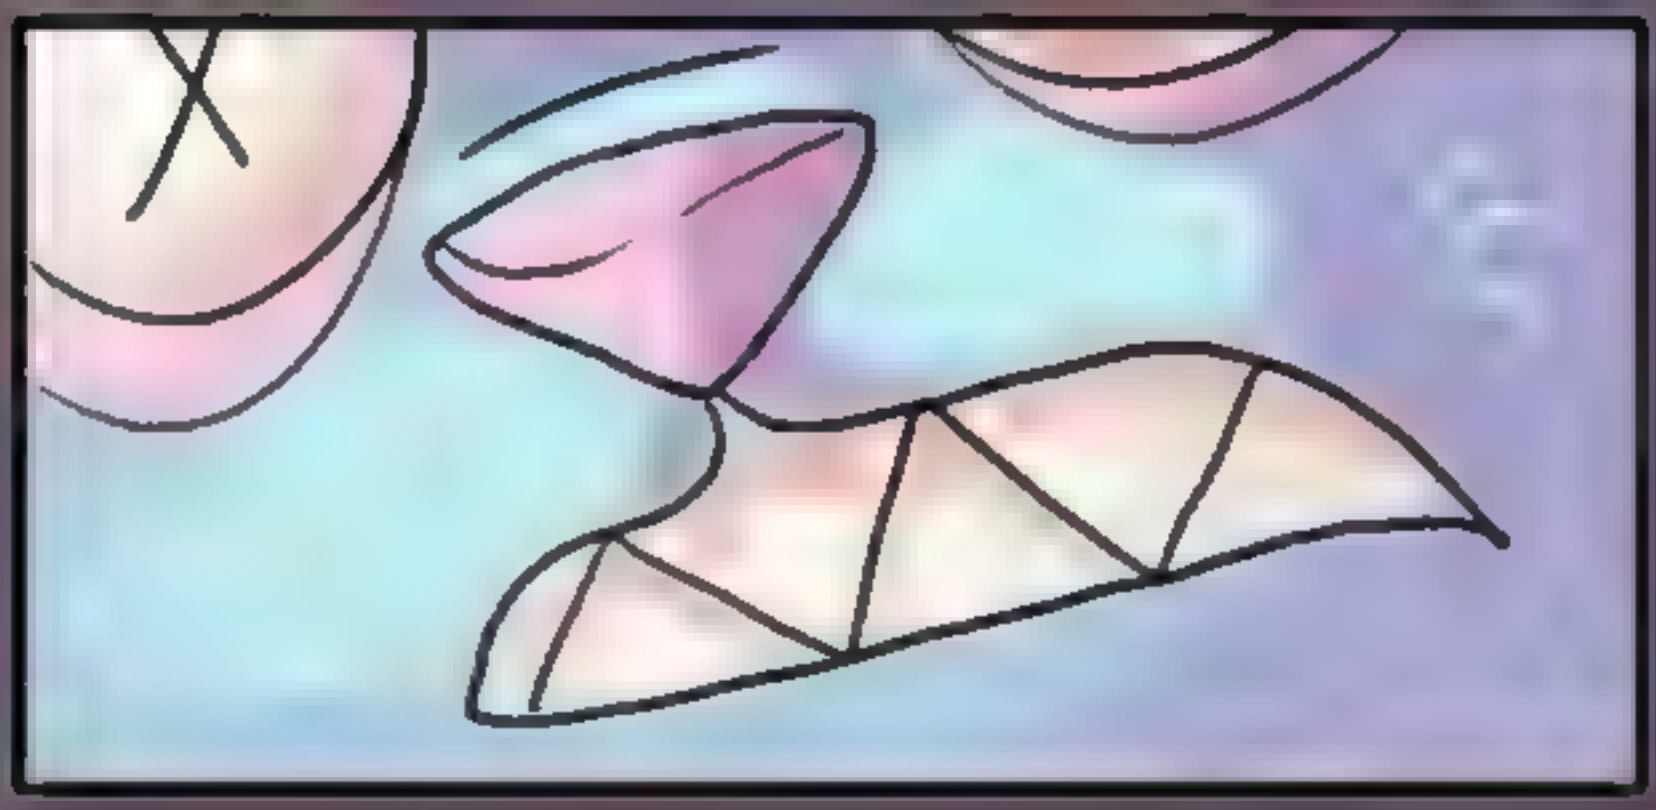
YOU SAY YOU ARE ABLE TO FIND THEM...

YOU INTEND TO COLLECT ALL OF THEM?



I AM.

I STILL DON'T UNDERSTAND HIM.



HIS EXISTENCE IS ILLOGICAL...

IT'S A LITTLE SCARY...

BUT...

AT THE SAME TIME, IT'S INTERESTING.

FINE.

I'M CURIOUS TO SEE YOU COMPLETED.

SEEING SOMETHING INCOMPLETE BECOME WHOLE AGAIN.

MAYBE IT WAS A MISTAKE.

BUT I JUST WANT TO OBSERVE IT ALL A LITTLE LONGER.

WAIT... IT'S STILL A LOSING DEAL FOR ME...
